GREEN

WHEN YOU GO GREEN WITH OUR LOANS.

Green is good!

Many of us are looking for ways to help the environment these days. And of course, we're all looking for ways to save money as well. That's why, in addition to terrific low rates, Idaho Credit Union offers these online loan services:

Online applications – Use less paper, save a trip to Idaho.

Electronic payments – Simply log in to Online Bill Pay, call Idaho's MemberLine or sign up for convenient automatic payments. You'll cut down on paperwork, and buy fewer stamps, envelopes and checks.

You can make our website your loan headquarters! Just visit **www.idahy.org** to check our rates, complete an application, make payments, see our current loan promotions or email us with any questions you might have.
